Dear Friends:

I am honored to have the opportunity to express my strong support to the Bozeman Continuum of Care as they host the first annual National Project Homeless Connect.

Sometimes we all need a helping hand. And in Montana, we are blessed to have many great services and community resources to help those in need. One of my top priorities is to support community members in need of social services and the network of organization agencies that serve them.

This one-day, one-stop event is an inspiring way to bring service providers and concerned citizens together to lend a hand to some of Montana's most in need individuals and families. After all, you all know first hand the best way to get things done is by working together. I thank all of you for your commitment to this important issue.

Again, this project carries with it my full support, and I hope it will make a lasting impact on the Bozeman community. I am honored to continue to do my part to support the good work being done in Montana and I look forward to working with you in the future.

With best personal regards, I am

Sincerely,

MSB/jj
